

# Perfect

## Depeche Mode

On another world by another star  
At another place and time  
In another state of consciousness  
In another state of mind Everything was almost perfect  
Everything fell into place  
That you may reach a different verdict  
Before the judge dismissed the case In a parallel universe  
That's happening right now  
Things between us must be worse  
But it's hard to see just how And everything could have been perfect  
Everything in the right place  
Then I wouldn't have to play the suspect  
Accused, abandoned and disgraced I didn't choose, I didn't pull the trigger  
It wasn't me, I'm just a plain and simple singer  
I heard the sound, I turned my head around  
To watch our love shot down In another lonely universe  
We're laying side by side  
Where no one's hurt and no one's cursed  
And no one needs to hide And everything is almost perfect  
Everything is almost right  
There are never any conflicts  
There are never any fights
