

# Ready

## Ambrosia

Well, I gotta catch a plane  
Check on out of L.A.  
Somewhere I've never traveled  
I'm on my way, yeah, I'm ready So , sit back in your chair  
'Cause I'll be there soon  
Don't get too unraveled,  
Just kick off your shoes  
Keep your head on steady You gave me the feelin'  
And the love I need to go on  
And I won't let you down  
'Cause I'm ready right now You gave me the feelin'  
And the love I need to go on  
And I can't wait no more  
'Cause I'm ready I was raised up in the middle  
Of a house full of hell  
I'm lucky to be here  
With something to tell Glad those days are behind me  
Oh yes, I am Well, the odds are against me  
I've still got the fight  
I've learned the hard way  
Of doin' it right, now, I'm ready I said you gave me the feelin'  
And the love I need to go on  
And I can't wait no more  
'Cause I'm ready right now, now You gave me the feelin'  
And the love I need to go on  
And I won't wait no more  
'Cause I'm ready  
Said, I'm ready I said you gave me the feelin'  
And the love I need to go on  
I won't let you go  
'Til I'm ready right now, now I said you gave me the feelin'  
And the love I need to go on  
And I won't wait no more  
'Cause I'm ready right now, now You gave me the feelin'  
And the love I need to go on  
And I can't wait no more  
'Cause I'm ready Said, I'm ready, right now  
Said I'm ready  
Well, I'm ready

Yeah, I'm ready
