

# Memory of a Love

Kitty Wells

Just a memory of a love I left behind  
I'm a fool, seems I lose every time  
But the future that I once held in my heart  
Is fading fast now the loneliness will come  
Just a memory of a love that's sad and true  
I just know, that forever I'll be true  
In the meantime my love I will find  
Just a memory of a love I left behind
