

Like a Child Again ('Carved in Sand' - 01/03/18)

The Mission

Woooah

I'm not scared anymore
I'm not scared of the dark when I sleep with you, with you
And I'm feeling alive
And I'm feeling strong again when I'm with you, with you

And it hits me just like a runaway train
And it blows me away just like a hurricane

You make me happy and I hope you feel the same
You make me feel just like a child, a child again

I'm not trapped anymore
Between Madonna and the whore when I lay with you, with you
And the days run away
Like wild horses run away when I'm with you, ah-ah-ah

And I'm breathing you in just like the morning air
And I'm wrapping you around just like a skin to wear

You make me happy and I hope you feel the same
You make me feel just like a child, a child again

Oh, sweet thing, I'm born once again
For you sweet thing, just like a baby again

You make me happy and I hope you feel the same
And I'm in heaven and it feels like a gentle rain
You make me happy and I want you to feel the same
You make me feel just like a child, a child again
