## Empyre One

no worry tonight  
it makes me feel alright  
it's like im out of space who  
we call it the day  
it's the 2nd of may  
and i just save in grace whoand where i go go go  
i'm just taking a flow  
all my friends just leave me alone yeah  
i'm just singing my song  
see you are so alone  
just take me away i'm lost in the discotheque  
i was drinking too much tonight  
now you can hold me so tight  
i'm singing heyin the discotheque  
just you can show me the way  
until the break in of day  
i'm singing heyin the discotheque oh oh  
in the discotheque  
in the discotheque oh oh oh oh  
in the discotheque  
in the discotheque oh oh i'm lost in the discotheque
