

# I Rule The Ruins

## Warlock

There's a tattooed symbol underneath my sleeve  
An iron glove over a hand of steel  
You can't touch me  
Don't touch me All for one and one for me  
Listen well and I'll set you free  
You can trust me  
For eternity No promise  
Is honest  
In a world of change I rule the ruins with passion and pain  
I rule the ruins  
Sinner or saint  
Fortune or fate Alive and well in this livin' hell  
I survived it all, now it's time to tell  
Can you hear me  
Do you hear me Once a tattered soul on bended knees  
With one hand to God, I felt the devil's breeze  
I begged help me  
Won't you rescue me One promise dishonest  
And everything will change [CHORUS] There's a tattooed symbol underneath my sleeve  
Iron glove over a hand of steel  
I rule the ruins  
I rule the ruins I rule the ruins  
With passion and pain  
I rule the ruins  
Sinner and saint  
I rule the ruins [REPEAT & FADE]
