

# Covered In You

Chris Brown

Oh, oh  
Ooh, na na  
Na na na, girl Hold on to me tight, yeah  
And if you feel any pressure, that's alright, alright  
There's a leak in your Levi, it's on the verge of caving in  
But I'm prepared if it breaks, baby,  
So whenever you feel it coming, don't fight Yeah, never been scared to get wet  
No umbrella, you can rain all night, oh woah, woah  
And go ahead and drench me with your body  
By the time you're finished Baby, I'll be covered in you, yeah, yeah  
Covered in you  
Ooh, you know we'll be through  
'Cause I'll be covered in you  
Get yours and I'll get mine, yeah, yeah  
You know I always hit your spots, baby, every time (time)  
Oh yeah, feel it drip drop and your bottles turn to oceans,  
You know I won't stop 'til I feel it overflow (drip drop)  
Tell me, tell me, baby, would you mind if I just jump right in there  
Take a dive? Yeah, never been scared to get wet  
No umbrella, you can rain all night, oh woah, woah  
And go ahead and drench me with your body  
By the time you're finished I'll be covered in you, yeah, yeah  
Covered in you  
Ooh, you know we'll be through  
'Cause I'll be covered in you  
I ain't running, keep it coming  
'Til I'm covered, baby, covered in you  
Ooh, you know we'll be through  
Until I'll be covered in you  
Covered in you, you  
Wanna be covered, covered in you, you (yeah, yeah)  
You, woah, woah, in your love, baby  
Covered in you
