Advisory - the following lyrics contain explicit language:

Everyday I think about the money (lets go)
What am I gone do with all this money
I can't go a day without my money
You know that i'm married to the money
Everyday I think about the money
What am I gone do with all this money
I can't go a day without my money
You know that i'm married to the money Spend them racks you know I make it right back
Stunting on these niggas they don't like that
I found a bad bitch with a nice ass
She be playing games so i can't wife that
My last bitch was actin up got a new hoe
Got a spanish bitch she say UNO
You aint tryna fuck get yo shoes hoe
Black on black camaro it got 2 Does
Everyday I think about the money
What am I gone do with all this money
I can't go a day without my money
You know that i'm married to the money
Everyday I think about the money
What am I gone do with all this money
I can't go a day without my money
You know that i'm married to the money I ain't chasin hoes i'm chasin chedda
Fuck nigga mad get yo bread up
Hoes be playing games got me fed up
Shawty tryna getin my pockets I won't let her
All about that action fuck that talking
True religion jeans and some jordans
All this cash money bitch i'm ballin
Gave yo hoe my number now she won't stop callin
Everyday I think about the money
What am I gone do with all this money
I can't go a day without my money
You know that i'm married to the money

Everyday I think about the money
What am I gone do with all this money
I can't go a day without my money
You know that i'm married to the money
