

Gone, Gone, Gone

Phillip Phillips

When life leaves you high and dry
I'll be at your door tonight if you need help, if you need help
I'll shut down the city lights,
I'll lie, cheat, I'll beg and bribe to make you well, to make you well
When enemies are at your door I'll carry you way from more
If you need help, if you need help
Your hope dangling by a string
Ill share in your suffering to make you well, to make you well
Give me reasons to believe that you would do the same for me
And I would do it for you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You will never sleep alone
I love you long after you go
oh long after you're gone gone gone
When you fall like a statue
I'm gon' be there to catch you
Put you on your feet, you on your feet
And if your well is empty
Not a thing will prevent me
Tell me what you need, what do you need
I surrender honestly
You've always done the same for me
So I would do it for you, for you
Baby I'm not moving on
I love you long after you're gone

For you, for you
You would never sleep alone
I love you long after you're gone
And long after you're gone gone gone
You're my back bone, you're me cornerstone
You're my crutch when my legs stop moving
You're my headstart, you're my rugged heart
You're the post that I've always needed
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum baby don't stop beating

Like a drum my heart never stops beating
For you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You would never sleep alone
I love you long after you go
For you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You would never sleep alone
I love you long, long after you're gone
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum my heart never stops beating for you
And long after you're gone gone gone
I love you long after you're gone gone gone
