

# Wrap My Arms

Brian Mcfadden

Sitting here trying to figure it out,  
Just what i should sing to you,  
So many things going through my head,  
But all i can see is you,  
Never been quite good at this,  
You know i tired so hard,  
You fall asleep watching Will & Grace  
and you wake up in my arms.

Donâ€™t go, donâ€™t go,  
Donâ€™t go.

I wrap my arms around you,  
I wrap my arms around you,  
And i will run till i found you,  
I wrap my arms, around you.

Iâ€™ll try and make a life for us,  
Maybe with this guitar,  
The first time i ever sung to you,  
You never laughed so hard,  
You know you look so beautiful,  
Standing in your dress,  
I try and show off all my moves,  
But you know that i donâ€™t dance.

Donâ€™t go, donâ€™t go,  
Donâ€™t go.

I wrap my arms around you,  
I wrap my arms around you,  
And i will run till i found you,  
I wrap my arms around you.

Sit back weâ€™ll watch our lives,  
You know weâ€™ve had the best time,  
Iâ€™m so happy just, lying here.

I wrap my arms around you,  
I wrap my arms around you,

I wrap my arms around you,  
I told you i would be with you,  
Told you i would stay with you,  
Iâ€™ll never let you go and Iâ€™ll never let you get away,  
I wrap my arms.

I wrap my arms around you,  
I told you i would be with you,  
Told you i would stay with you,  
Iâ€™ll never let you go and Iâ€™ll never let you get away,  
I wrap my arms,  
I wrap my arms around you,  
I wrap my arms around you.
