

Stay

Miley Cyrus

Well it's good to hear your voice
I hope you're doing fine
And if you ever wonder
I'm lonely here tonight

I'm lost here in this moment
And time keeps slipping by
And if I could have just one wish
I'd have you by my side

Oh, oh I miss you
Oh, oh I need you

And I love you more
Than I did before
And if today I don't see your face
Nothing's changed no one can take your place
It gets harder everyday

Say you love me more
Than you did before
And I'm sorry it's this way
But I'm coming home
I'll be coming home
And if you ask me I will stay
I will stay

Well I tried to live without you
The tears fall from my eyes
I'm alone and I feel empty
God I'm torn apart inside

I look up at the stars
Hoping you're doing the same
Somehow I feel closer
And I can hear you say:

Oh, Oh, I miss you
Oh, Oh, I need you.

I love you more
Than I did before
And if today I don't see your face.
Nothings' change, no one can take your place
It gets harder everyday

Say you love me more
Than you did before
And I'm sorry it's this way
But I'm comin' home.
I'll be coming home
And if you ask me I will stay
I will.. stay..
Always stay..

I never wanna lose you
And if I had to I would chose you
So stay, please always stay
You're the one that I hold on to
Cause my heart would stop without... you...

I love you more
Than I did before
And if today I don't see your face.
Nothings' change, no one can take your place
It gets harder everyday
Say you love me more
Than you did before
And I'm sorry that it's this way
But I'm comin' home.
I'll be coming home
And if you ask me I will stay
I will stay..
I always stay..

I love you more
Than I did before
And I'm sorry that it's this way
But I'm comin' home.
I'll be coming home
And if you ask I will stay
I will stay
I will stay..
