

# Times Up (Alone Tonight)

Daryl Hall & John Oates

[Chorus]

Time's up!

'Cause I'd rather be alone tonight

Time's up!

I want to go home tonight

Time's up!

'Cause I need to be alone tonight

Time's up! All mad, you sat in your room

And the clock kept ticking on (The clock kept ticking on)

I had nothing to say with a smile (I had nothing to say)

And if once, twice, let me think of myself

All I ever do is think of you (All ever do is think of you)

Stand back and let me breathe for a while (Stand back)

And let me think Time's up!

Back on the shelf

And the time reminds me things ain't going right

(I think I know the time's up)

So, I want to go home, 'cause I'd rather be alone tonight

Time's up for us and I tell myself

That things aren't going right, no

(I'd better be leaving tonight) I want to go home, 'cause I'd rather be alone tonight

Well, looking so soft (So soft), stay strong (Stay strong)

Because I'm tied to you mentally

But on the bad nights, the mood's a miss by a mile

(Mood's a miss)

So, it's left (Left), right (Right),

Got a woman in and out of your life

(In and out of your life)

Step back and let me breathe for a while (Stand back)

And let me breathe Time's up!

Back on the shelf

And the time reminds me things ain't going right

(I think I know the time's up)

So, I want to go home, 'cause I'd rather be alone tonight

Time's up for us and I tell myself

That things aren't going right, no

(I'd better be leaving tonight) Ah, gotta go home tonight! Time's up!

'Cause I'd rather be alone tonight

Time's up!

I want to go home tonight  
Time's up!  
'Cause I need to be alone tonight  
Time's up!Time's up!  
Back on the shelf  
And the time reminds me things ain't going right  
(I think I know the time's up)  
So, I want to go home, 'cause I'd rather be alone tonight  
Time's up for us and I tell myself  
That things aren't going right, no  
(I'd better be leaving tonight)
