

# Give Me More Time

## Whitesnake

I want you  
I need your rhyme  
But you keep saying, babe  
It's gonna take time  
I know the heartache  
I put you through  
Believe me, babe  
I'm gonna make it up to you  
You are the reason  
I'm down on my knees  
I'm begging you to give me a chance  
If only you would  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time  
To prove it to you  
So many feelings  
I can't explain  
I never thought  
I'd ever cause you any pain  
Now I'm alone here  
An' I can't hide  
The sun don't shine for me  
Without you by my side  
You are the reason  
I'm down on my knees  
I'm begging you to give me a chance  
If only you would  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time  
To prove it to you  
I'm gonna prove it  
I want you  
Right by my side  
'Cause you're the only one  
Who keeps me satisfied

I need your loving  
I need your charms  
Can't stand the thought of you  
In someone else's arms  
You are the reason  
I'm down on my knees  
I'm begging you to give me a chance  
If only you would  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time  
Give me just a little more time, baby  
Give me just a little more time  
Give me just a little more time  
You've gotta give me just a little more time  
To prove it to you  
An' I'm gonna prove it
