

Baby I Need Your Loving

Human Nature

Baby, I need your loving
Baby, I need your loving Although you're never near
Your voice I often hear
Another day, another night
I long to hold you tight
'Cause I'm so lonely Baby, I need your loving
Got to have all your loving
Baby, I need your loving
Got to have all your loving Some say it's a sign of weakness
For a man to beg
Then weak I'd rather be
If it means having you to keep
'Cause lately I been losing sleep Baby, I need your loving
Got to have all your loving
Baby, I need your loving
Got to have all your loving Empty nights echo your name
Sometimes I wonder
Will I ever be the same? Oh yeah When you see me smile
You know things has gotten worse
Any smile you might see
Has all been rehearsed Darling, I can't go on without you
This emptiness won't let me live without you
This loneliness inside me, darling
Makes me feel half alive Baby, I need your loving
Got to have all your loving
Baby, I need your loving
Got to have all your loving Baby, I need your loving
Got to have all your loving
Baby, I need your loving
Got to have all your loving Baby, I need your loving
Got to have all your loving
Baby, I need your loving
