I'm Putting All My Eggs In One Basket

Stacey Kent

I've been a roaming Romeo
My Juliets have been many
But now my roaming days have goneToo many irons in the fire
Is worse than not having any
I've had my share and from now onI'm putting all my eggs in one basket
I'm betting everything I've got on you
I'm giving all my love to one baby
Heaven help me if my baby don't come throughI've got a great big amount
Saved up in my love account
Honey and I've decided
Love divided In two won't doSo I'm putting all my eggs in one basket
I'm betting everything I've got on youI've been a roaming Juliet
My Romeos have been many
But now my roaming days have goneToo many irons in the fire
Is worse than not having any
I've had my share and from now onI'm putting all my eggs in one basket
I'm betting everything I've got on you
I'm giving all my love to one baby
Heaven help me if my baby don't come throughI've tried to love more than one
Finding it just can't be done
Honey there's one I lie to
When I try to be true to twoSo I'm putting all my eggs in one basket
I'm betting everything I've got on you
