Overdose

Jason Derulo

Let Me Love You Till I Overdose
The Time We Spent Lasing My Head Like A Rocket
You Got Me Up I Put It Down It Gets Better
I Try A Million Nice To See It Was Hard, Too Hard
Your Body Is Banging Like .. Nothing
I Wake Up Sayin I Need You Baby I Was Lost With
You Try To Tell Me I Just Fine Right From The Start, The Strat
Chorus:
Uuh You Got The Room Spinnin
I Don't Wanna Lose This Feeling
Girl Give Me High You Know Just What I Like
I Want Some More, I Want Some More.
So Let Me Overdose
'Cause The Pain ..For Your Touch
Let Me Overdose,
'Cause Baby I Can't Get Enough
Let Me Overdose, Is So Good
But Your Love Is Just Too Much,
Your Love Is Just Too Much.
Let Me Love You Till I Overdose
Let Me Love You Till I Overdose
Let Me Love You Till I Overdose
My Life Is A Mess

But No Regrets You Are The ..
My Favourite Drug I Need A Bit Can You Help Me
I Try A Million .. It Was Too Hard, Too Hard Bbay
Chorus:
Uuh You Got The Room Spinnin
I Don't Wanna Lose This Feeling
Girl Give Me High You Know Just What I Like
I Want Some More, I Want Some More.
So Let Me Overdose
'Cause The Pain ..For Your Touch
Let Me Overdose,
'Cause Baby I Can't Get Enough
Let Me Overdose, Is So Good
But Your Love Is Just Too Much,
Your Love Is Just Too Much.

2 X
Ain't No Rehab
Gonna Take What We Have, We Have
'Cause What We Have
Is Good
[Chorus:]Let Me Love You Till I Overdose
Let Me Love You Till I Overdose
Let Me Love You Till I Overdose
