Brother (Live From the Woods)

NEEDTOBREATHE

Ramblers in the wilderness we can't find what we need
We get a little restless from the searching
Get a little worn down in between
Like a bull chasing the matador is the man left to his own schemes
Everybody needs someone beside em' shining like a lighthouse from the seaBrother let me be your shelter
Never leave you all alone
I can be the one you call
When you're low
Brother let me be your fortress
When the night winds are driving on
Be the one to light the way
Bring you homeFace down in the desert now there's a cage locked around my heart
I found a way to drop the keys where my failures were
Now my hands can't reach that far
I ain't made for a rivalry, I could never take the world alone
I know that in my weakness I am stronger
It's your love that brings me homeBrother let me be your shelter
I'll never leave you all alone
I can be the one you call
When you're low
Brother let me be your fortress
When the night winds are driving on
Be the one to light the way
Bring you homeBrother let me be your shelter
Never leave you all alone
I can be the one you call
When you're low
Brother let me be your fortress
When the night winds are driving on
Be the one to light the way
Bring you homeBrother let me be your shelter
Never leave you all alone
I can be the one you call
When you're feeling low
Brother let me be your fortress
When the night winds are driving on
Be the one to light the way
Bring you homeBrother let me be your shelter
Never leave you all alone

I can be the one you call
When you're low
Brother let me be your fortress
When the night winds are driving on
Be the one to light the way
Bring you homeBrother let me be your shelter
Brother let me be your shelter
Brother let me be your shelter
Brother let me be your shelter
Brother let me be your shelter
