

Darkness Darkness

The Youngbloods

Darkness, darkness, be my pillow
Take my head and let me sleep
In the coolness of your shadow
In the silence of your deepDarkness, darkness, hide my yearning
For the things I cannot be
Keep my mind from constant turning
Toward the things I cannot see now
Things I cannot see now
Things I cannot seeDarkness, darkness, long and lonesome
Ease the day that brings me pain
I have felt the edge of sadness
I have known the depth of fearDarkness, darkness, be my blanket
Cover me with the endless night
Take away, take away the pain of knowing
Fill the emptiness of right now
Emptiness of right now, now, now
Emptiness of right nowDarkness, darkness, be my pillow
Take my hand and let me sleep
In the coolness of your shadow
In the silence, the silence of your deepDarkness, darkness, be my blanket
Cover me with the endless night
Take away, take away the pain of knowing
Fill the emptiness of right now
Emptiness of right now, now, now
Emptiness of right
Oh yeah, oh yeahEmptiness, emptiness
Oh yeah
