

# While My Guitar Gently Weeps

**Phish**

I look at you all, see the love there that's sleeping  
While my guitar gently weeps  
I look at the floor and I see it needs sweeping  
While my guitar gently weepsI don't know why nobody told you  
How to unfold your love  
I don't know why someone controlled you  
They bought and sold youI look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weepsI don't know why you were inverted  
No one alerted you  
I don't know why you were perverted  
No one alerted you
