Homosapien (Dub)

Pete Shelley

I'm the shy boy, you're the coy boy

And you know we're Homosapien too

I'm the cruiser, you're the loser

Me and you sir, Homosapien tooHomosuperior in my interior

But from the skin out

I'm Homosapien too

And you're Homosapien tooAnd I'm Homosapien like you

And we're Homosapien too And I think of your eyes in the dark

And I see the star

And I look to the light

And I might wonder right where you are All the Gods in the sky, way up high

See the world spinning 'round

But the sun and the moon

And the stars are so far from the groundI'm the shy boy, you're the coy boy

And you know we're Homosapien too

I'm the cruiser, you're the loser

Me and you sir, Homosapien tooHomosuperior in my interior

But from the skin out

I'm Homosapien too

And you're Homosapien tooAnd I'm Homosapien like you

And we're Homosapien too And the worlds built of age are a stage

Where we act out our lives

And the words in the script seem to fit

'Cept we have some surpriseI just want this to last

Or my future is past and all gone

And if this is the case

Then I'll lose in life's race from now on Homosuperior in my interior

But from the skin out

I'm Homosapien too

And you're Homosapien tooAnd I'm Homosapien like you

And we're Homosapien tooAnd I just hope and pray

That the day of our love is at hand

You and I, me and you

We will be one from two, understand? And the world is so wrong

That I hope that we'll be strong enough

For we are on our own

And the only thing known is our loveI don't wanna classify you

Like an animal in the zoo

But it seems good to me to know

That you're Homosapien tooI'm the shy boy, you're the coy boyI don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien tooI don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien tooI don't wanna classify you
Like an animal in the zoo
But it seems good to me to know
That you're Homosapien too
