

# Better Off

[Rikke Lie](#)

I could call your mother to tell her the truth  
She could give the message to you  
I could write a letter or give you a note,  
But I won't, I won't.  
Because you're better off  
To never know  
My alibi  
Which is loving you so  
I never cheated or looked astray  
Don't know who spread that fire  
But I think that you know deep down inside  
You are my hearts desire  
Because you're better off

To never know  
My alibi  
Which is loving you so  
I hold you back when I hold your hand  
You're better off when you're your own man  
Baby, take your last look  
Don't say goodbye  
Love don't mean that much anyway  
Don't give me a hard time if I close my eyes  
I'm okay  
I'm okay  
I could write a letter or give you a note,  
But I won't, I won't.
