Slow Down (ft Macca)

Maverick Sabre

Had a feeling that you'd call me to say you're sorry
Instead you just said it's my mistake
Are you raging up a war for the sake of something to say
When am I not to blame
And what you got to say about me
I don't know you very well if you're acting like someone else
And what you got to say about us
Don't you see this all leads to games, you should start trusting meSlow down, won't you come around
Slow down, won't you come around to my ways
Slow down, won't you come around
Slow down, won't you come around to my place
Well I wish I could say sorry but I don't have much to say
You won't believe me anyway
I got a thing for causing arguments
But in my defense, I'm scared to walk away
And what I'm trying to say about me
I don't know me very well if I'm acting like someone else
And what you got to say about us
Don't you see that I'm here to stay, you should start trusting meSlow down, won't you come around
Slow down, won't you come around to my ways
Slow down, won't you come around
Slow down, won't you come around to my place(Slow down, won't you come around)
(Slow down, won't you come around to my ways)
You don't know me
Like I wish you would
You don't know me
Like I know you could
I don't want to be misunderstood
Cause I don't think you knowSlow down, won't you come around
Slow down, won't you come around to my ways
Slow down, won't you come around
Slow down, won't you come around to my placeSlow down, won't you come around
Slow down, won't you come around to my ways
Slow down, won't you come around
Slow down, won't you come around to my placeSlow down, slow down...
Slow down, slow down...
