If Our Love Is Wrong

[Calum Scott](#)

I don't know how I should say it
In my mind is every word
That they don't wanna hear
I don't know how they might take it
Maybe you can take the pressure
And make it disappear
Throw out the inhibition
You make me feel a feeling that I've never felt before
I don't know if they're gonna like it
But that only makes me want it more'Cause I'm nobody's but yours
If it's me, if it's you
And if our love is wrong
Then I don't ever wanna be right
I don't ever wanna be right
If it's real
And if it's true
And if our love is wrong
Then I don't ever wanna be right
I don't ever wanna be rightOh oh oh oh oh, yeah yeah
Oh oh oh oh oh, I just want you to be mineWhy would I need their permission
Skin and bones, I'm only human
It's in my DNA
Suffocating just to fit in
Why do I care what people say?'Cause I'm nobody's but yours
And If it's me
And if it's you
And if our love is wrong
Then I don't ever wanna be right
I don't ever wanna be right
And if it's real
And if it's true
And if our love is wrong
Then I don't ever wanna be right
I don't ever wanna be rightOh oh oh oh oh, yeah yeah
Oh oh oh oh oh, I just want you to be mineOh oh oh oh oh, yeah yeah
Oh oh oh oh oh, I just want you to be mine
