Fade With Our Voices

Jason Gray

After all the songs are sung
And our prayers for Kingdom come
Did we bring honor to the words we sing?Does our worship have hands?
Does it have feet?

Does it stand up in the face of injustice?

Does our worship bow down?

Does it run deep?Is it more than a song

That fades with our voices?

Does it fade with our voices? Lord, it's you we long to please

Make our lives a melody

That we proclaim

When we live in Jesus nameSo if we raise our hands high

Let us also reach them out

And if we lift our voices up

Let it be the sound of loveLet our worship have hands

Let it have feet

Let it stand tall in the face of injustice

Let our worship bow down

Let it run deepAnd be more than a song

That fades with our voices

It's more than a song

That fades with our voices

It won't fade with our voices

(Let it be the sound of love)
