

Long Hair, Don't Care

Radical Something (Loggy, Josh Cocktail, & Big Red)

(Chrous)

You don't like my style or the shoes on my feet

You're laughin' at the clothes that I wear

I'm singin' my songs, man I'm just being me

I say long hair don't care. (5x)(Verse 1)

Authorities

Tryin to start a war with me

You're borin me

Nah nah get away

Do your job

Imma have fun living life in a much much better way

Yo yo where do I begin?

People lookin' at me from the outside in

Imma do my thing much bigger than some bo-rings

Thinkin' that when they told me

Like don't do this

Definitely don't do that

Sittin on the pavement cold and black

Thinkin bout the words that I'm holdin back(Bridge)

I don't wanna be a star

I wanna be a super nova,

Nice to know ya

I'm not below ya

Said I'm not below ya(Chrous)

You don't like my style or the shoes on my feet

You're laughin' at the clothes that I wear

I'm singin' my songs, man I'm just being me

I say long hair don't care. (5x)(Verse 2)

Look at you

You're so grown up

Cut your hair

Shave that scruff

You tie your tie man loosen up

Your ties too tight man loosen up

You say 'Hey Red, loose those dreads, want you lookin' like this instead"

So I stare at the sleeves of my DJ

Relax, listen to the beat say(Bridge)

I don't wanna be a star

I wanna be a super nova,

Nice to know ya
I'm not below ya
Said I'm not below ya(Bridge)
I don't wanna be a star
I wanna be a super nova,
Nice to know ya
I'm not below ya
Said I'm not below ya(Chrous)
You don't like my style or the shoes on my feet
You're laughin' at the clothes that I wear
I'm singin' my songs, man I'm just being me
I say long hair don't care. (5x)(Chrous)
You don't like my style or the shoes on my feet
You're laughin' at the clothes that I wear
I'm singin' my songs, man I'm just being me
I say long hair don't care. (5x)
END :D
