

Mighty Fortress

Jesus Culture

VERSE 1

Like a mighty fortress, is our God
Like a mighty fortress, is our God
When enemies surround us, rising like a flood
They break into pieces, swallowed in dust

CHORUS

He rejoices
He rejoices over us

VERSE 2

Like a mighty warrior, is our God
Like a mighty warrior, is our God
His voice is like the thunder rolling through the land
He's the Lion of Judah, breaking off the fear of man

BRIDGE

Upon the Rock of revelation
We're dancing now, we're dancing now
No enemy could ever shake us
We're dancing now, we're dancing now
