

# Doin' the Zombie

## Chubby Checker

(Thunder rumbles)

(Wolf howls)

Zombie, zombie, Zombie, zzz-zombie.

(Vocalizing chorus)

Doin' the zombie.

Zombie, zombie.

(Vocalizing chorus)

(Rap):

Here's a new dance that's not very tricky, but people like to party all night and get freaky.

You got to shake your head, put your hands up high. Wiggle up to your fingers like a bird who tries to fly.

Come one, come all. Let me see you do good.

Let me see do the... it's far from the twist.

So step upfront, step around, here's what my man, Chubby Checker has this thing now.

(Vocalizing chorus)

Doin' the zombie.

(Rap):

It's a sure fire dance that will make you shake in your pants.

The way it looks to me now, the time for romance.

'Cause your eyes go goo.

Now, your name is Googly.

Shake your hands in the air like a 2 lovely tootie.

Running through the graveyard like you've seen a zombie.

Knockin' over tombstones like a holla monney.

The zombie is not difficult to do.

Here's Chubby Checker to tell ya what to do.

You got to kick off your shoes, keep your body loose.

Move in a strange and freaky way.

You got to look like a ghoul, standin' real cool.

Into the bright of day.

Well, that's the way I got dance.

Give yourself a chance.

(Vocalizing chorus)

Doin' the zombie.

When the stars fleet at night, oh what a ghastly sight.

(Vocalizing chorus)

Doin' the zombie.

(Vocalizing chorus)

Doin' the zombie.

(Bouncy guitar solo)

(repeat intro)  
Zombie, zombie.  
(Repeat bouncy guitar solo)  
(Wolf howl)  
(Repeat rap):  
Jump to the rhythm like you know the zombie.  
And jump.  
Jump to the rhythm, you can do the zombie.  
Jump to the rhythm, you can do the zombie.  
Jump to the rhythm, let me see the zombie.  
(Wolf howl)  
Jump to the rhythm, jump to the rhythm.  
You've got to kick off your shoes, keep your body loose.  
Move in a strange and freaky way.  
You got to look like a ghoul, standin' real cool.  
Into the bright of day.  
Well, it's the way that this graveyard dance.  
Just give yourself a chance.  
(Vocalizing chorus)  
Doin' the zombie.  
(Vocalizing chorus)  
Doin' the zombie.  
Doin' the zombie.
