When Under Ether

PJ Harvey

The ceiling is moving
Moving in time
Like a conveyor belt
Above my eyesWhen under ether
The mind comes alive
But conscious of nothing
But the will to surviveI lay on the bed
Waist down undressed
Look up at the ceiling
Feeling happiness
Human kindnessThe woman beside me
Is holding my hand
I point at the ceiling
She smiles so kindSomething's inside me
Unborn and unblessed
Disappears in the ether
This world to the nextDisappears in the ether
One world to the next
Human kindness
