

# Hold Me In Your Arms

## Kohomua

Watching the world float on by  
I can say I'm alright  
Watching the sun light the moon  
As the day turns to night  
And he says don't you know I love you?  
Don't you know you're beautiful?  
He says everyday is special  
You have made me believe  
Hold me in your arms 'cause I'm falling  
Hold me in your arms while we're sleeping  
Hold me in your arms  
Dreaming of soft cotton clouds  
I feel close to you now  
Dreaming of candy and chocolate  
All the bad girls not allowed  
And he says as he thinks I'm sleeping  
He whispers girl, you are the one  
Never thought I could feel this way  
Girl, you made me believe  
Hold me in your arms 'cause I'm falling  
Hold me in your arms while we're sleeping  
Hold me in your arms  
Though I'm a little scared that all the times we shared  
Almost too perfect to ever last  
And when I'm lying here and you are holding me  
I know the fear in me will pass  
Hold me  
Hold me in your arms 'cause I'm falling  
Hold me in your arms while we're sleeping  
Hold me, hold me, hold me in your arms  
Hold me in your arms 'cause I'm falling  
Hold me in your arms while we're sleeping  
Hold me, hold me, hold me in your arms
