

Let Them Be Little (Re-Recorded)

Billy Dean

I can remember when you fit in the palm of my hand.
Felt so good in it, no bigger than a minute.
How it amazes me, you're changing with every blink.
Faster than a flower blooms they grow up all too soon. So let them be little, cause they're only that way for a while.
Give them hope, give them praise, give them love, every day.
Let em cry, let em giggle, let them sleep in the middle.
Oh, just let them be little I've never felt so much in one little tender touch.
I live for those kisses, prayers and your wishes.
Now that you're teaching me things only a child can see.
Every night while we're on our knees all I ask is please Let them be little, cause they're only that way for a while.
Give them hope, give them praise, give them love, everyday.
Let em cry, let em giggle, let them sleep in the middle.
Oh just let them be little. So innocent, a precious soul, you turn around.
Its time to let them go. So let them be little, cause they're only that way for a while.
Give them hope, give them praise, give them love, every day.
Let em cry, let em giggle, let them sleep in the middle.
Oh, just let them be little Let them be little
