Smile

Daniel Skye

Life moves so fast
Let's take our foot up off the gas
Slow down the motor and relax
Have fun
Be wild
And love
Soakin' all the little things upI just wanna make you smile for me, smile for me
All I wanna do is make ya ya ya ya
I wanna make you smile for me, smile for me
Everything is better when ya ya ya ya, smile
All I wanna do is make ya ya ya ya, smile
When you do, I do it with ya ya ya yaTake out the trash
Load it up leave it in the past
Start over feel the breeze, the sun, it's free to love
Soakin' all the simple things upI just wanna make you smile for me smile for me
All I wanna do is make ya ya ya ya
I wanna make you smile for me, smile for me
Everything is better when ya ya ya ya, smile
All I wanna do is make ya ya ya ya ya, smile
When you do, I do it with ya ya ya ya
You like i,t don't ya?
Looks so good on ya
I love it when you smileYou got that lightning in a bottle
And yet you're lookin' like model
You look like you just hit the lotto
I don't wanna make you crazy, make you lazy
Make you pay me, make you lead or make you followI just wanna make you smile for me, smile for me
All I wanna do is make ya ya ya ya
I wanna make you smile for me, smile for me
Everything is better when ya ya ya ya, smile
All I wanna do is make ya ya ya ya ya, smile
When you do, I do it with ya ya ya ya
You like it, don't ya
Just soak it on ya (ah ah ah ah ah)
I love it when ya smile
