

# Angel Baby

## Angelica

its just like heaven being here wit u ur like angel to good to be true but after all i love u i do angel baby my  
angel baby wen u r near me my heart skips a beat i could hardly stand on my own 2 feet becuz i love i love u i  
do angel baby my angel baby ho i love u ho i do no one can love u like i do hoho ho since da first time i lookd  
deep into ur eyes u sent me up 2 heaven baby body n mind every thing about u wuz everything i dreamd of n  
now ur here beside me my angel from above noca mi era una cosa de ti anca tu pueras por tu eres mi angel  
angelito mi yo noca mi dejes sola sin ti que sin tu amor no puedo viver por que te quiero enserio angel mi yo mi  
angelito its just like heaven bein wit u dear i can never stay away wit out u near becuz i love i love u i do angel  
baby my angel baby angel baby my angel baby ho ho i love u ohho i do noone can love u like i do ohho
