

# 21st Century Safety Dance

## Men Without Hats

Pseudo Instrumental  
You could dance if you want to  
In various voices and repetitions:  
    safety  
    dance

21st century  
It's one small step for  
And one giant leap for  
Take a walk on the wild side  
All you need is love  
1 2 3
