Rick Springfield

So, this is the cage that I built
Why I built it I don't know
It's bars made of anger and guilt, no lock
But somehow it just wouldn't let me go
All hail the messenger of love
I got your message loud and clear
Now I'm hungry to be healed
And you can't, you can't keep me away
I'm free
(When we are one, I am complete)
I'm free
(And I'm undone and I will be healed in your eyes)
I had to close a door in my life for another one to open
So I, I could go through
Though I had no guiding light
And no signs somehow it still lead me to you
I learned a lesson here in love
And it's ringin' loud and clear
Now, I'm ready to reveal all the things
That before I could never say
I'm free
(When we are one, I am complete)
I'm free
(And I'm undone and I will be healed in your eyes)
All hail the messenger of love
I got your message loud and clear
Now, I'm hungry to be healed
And you can't, you can't keep me away
When we are one
I am complete
And I'm undone
And I will be healed in your eyes
I'm free
(When we are one, I am complete)
I'm free
(And I'm undone and I will be healed in your eyes)
I'm free
(When we are one, I am complete)
I'm free
(And I'm undone and I will be healed in your eyes)
I'm free
(I'm free)
I'm free
(I'm free)
I'm free
(I'm free)
I'm free
(I'm free)
I'm free

(I'm free)
