

It's Christmas Time

The Jude

It's Christmas time
Christmas time is here
It's Christmas time
Christmas time's our favourite time of year Snow, snow, snow
Wonderful snow
Running through the fields
With sleigh bells here we go It's Christmas time
Christmas time is here
It's Christmas time
Christmas time's our favourite time of year Snow, snow, snow
Wonderful snow
Running through the fields
With sleigh bells here we go It's Christmas time
Christmas time, Christmas time is here
It's Christmas time
Christmas time's our favourite time of year Christmas time's our favourite time of year
Christmas time, Christmas time is here
