

# With Whom You Belong

## Fistful Of Mercy

You find your way  
To write your song  
And come what may

I hope you find friends with whom you belong

I said I hope you find friends with whom you belong'Cause you'll never know the reason

Why the seas rise and fall

You'll never know the reason

Or if there's a reason at allMake sure you stay

When you find love in your heart

And as it lights up your way

Don't let your friends fall apart

I said I hope you find friends with whom you belong

I said I hope you find friends with whom you belong'Cause you'll never know the reason

Why the seas rise and fall

You'll never know the reason

Or if there's a reason at all

'Cause you'll never know the reason

Why the sun shines at all

You'll never know the reason

Why we each must one day fall
