

Depression Unrest

Kreator

Ending all religions
Changes yet to come
Whole new situation
Fear became too strong Send a spark of hatred
To where I cannot rest
My fate's depending on me
Pushed to the test Depression unrest
As I watch the sky
The sparks will keep on falling
And I despise you now Praying for forgiveness
Waiting for a sign
It cannot be forgotten
A symbol used to shine Feel the spark of hatred
Spreading like some pest
Emotional mutation
Curse of the west Depression unrest
As cultures die
The sparks will keep on falling
And I hate you now
