The Fear

Lily Allen

I want to be rich and I want lots of money
I don't care about clever, I don't care about funny
I want loads of clothes and fuckloads of diamonds
I heard people die while they're trying to find themAnd I'll take my clothes off and it will be shameless
'Cause everyone knows that's how you get famous
I'll look at the sun and I'll look in the mirror
I'm on the right track, yeah I'm on to a winnerI don't know what's right and what's real anymore
And I don't know how I'm meant to feel anymore
When do you think it will all become clear?
'Cause I'm being taken over by the FearLife's about film stars and less about mothers
It's all about fast cars and cussing each other
But it doesn't matter 'cause I'm packing plastic
And that's what makes my life so fucking fantasticAnd I am a weapon of massive consumption
And it's not my fault, it's how I'm programmed to function
I'll look at the sun and I'll look in the mirror
I'm on the right track, yeah we're on to a winnerI don't know what's right and what's real anymore
And I don't know how I'm meant to feel anymore
When do you think it will all become clear?
'Cause I'm being taken over by the FearForget about guns and forget ammunition
'Cause I'm killing 'em all on my own little mission
Now I'm not a saint but I'm not a sinner
And everything's cool as long as I'm getting thinnerI don't know what's right and what's real anymore
And I don't know how I'm meant to feel anymore
When do you think it will all become clear?
'Cause I'm being taken over by the Fear
