No Labels (live)

Sick of It All

Open your eyes and you will see
You've got a life, look at me
Can't they do what they say
Live your live in your own wayNo labels, no lies
No fronts to hide behind
No labels, no lies
No bullshit to hide behind.....
.....
.....
.....No labels, no lies
No fronts to hide behind
No labels, no lies
No bullshit to hide behindOpen your eyes and you will see
You've got a life, look at me
Can't they do what they say
Live your live in your own wayNo labels, no labels, no labels and no lies
