

Cowardice

Sodom

I detest the awful day when you was born
Your mind, your soul genetically deformed
The nature struck back with a fatal mistake

In witness whereof what hell can createThe darkside of the mocking curse

Fervent love your pet averse

Thousands blugeoned lifes

Dastardly cowardiceCowardice - a freezing touch

Cowardice - bloody embraceInnocent blood adorns your raping hands

Importunity and lewdness systematically planned

Predominant signs that we have to demoan

Are deeply engraved in yourself to go onThe darkside of the mocking curse

Fervent love your pet averse

Thousands blugeoned lifes

Dastardly cowardiceCowardice - a freezing touch

Cowardice - bloody embraceThe crunch of the dawn

Victims were found

Salvation in their eyes

Instinctive urge

Tremendous search

Deranged and Paralyzed

Virginal flesh

Summon the death

Perception really numb

A horrible man

The beautiful maid

And then your purge is doneDewey eyed trusting and kissing the rods

Offering hands to the snapping dogs

Praying for god everyday for his scorn

Why didn't your mother get killed before?The darkside of the mocking curse

Fervent love your pet averse

Thousands blugeoned lifes

Dastardly cowardiceCowardice - a freezing touch

Cowardice - bloody embraceWhy didn't your mother get killed before?
