

# Take It Easy

Jackson Browne

Well I'm a-running down the road trying to loosen my load  
I've got seven women on my mind  
Four that want to own me, two that want to stone me  
One says she's a friend of mine Take it easy, take it easy  
Don't let the sound of your own wheels drive you crazy  
Lighten up while you still can  
Don't even try to understand  
Just find a place to make your stand and take it easy Jumping off the bridge in downtown Hollyeva  
With such a fine sight to see  
It's a girl we knew in a four man canoe  
Looking for a brand new crew Come on baby, don't say maybe  
I've got to know if your sweet love is gonna save me  
We may lose and we may win  
But we will never be here again  
Open up I'm climbing in to take it easy Well I'm a-running down the road trying to loosen my load  
Got a world of trouble on my mind  
Looking for a lover who won't blow my cover  
She's so hard to find  
Take it easy, take it easy  
Don't let the sound of your own wheels drive you crazy  
Come on baby, don't say maybe  
I've got to know if your sweet love is gonna save me You know we got it easy  
We oughta take it easy  
Come on take, take it easy
