

Rock and Roll Woman

Buffalo Springfield

There's a woman that you ought to know
And she's coming, singing soft and low
Singing rock and roll, she's a joy to know'Neath the shadow of a soothing hand
I am free there, just to make my plans
Dream of far away lands, anything close at hand And she will follow me wide, do you know
Familiar places she's been by, that I know
Could it be, she don't have to try And tomorrow, she's a friend of mine
And the sorrow, I see her face is lined
She's no longer blind, she's just hard to find
