

# Hey You

## Bobaflex

Hey you, out there in the cold  
Getting lonely, getting old  
Can you feel me?  
Hey you, standing in the aisles  
With itchy feet and fading smiles  
Can you feel me?  
Hey you, don't help them to bury the light  
Don't give in without a fight  
Hey you out there on your own  
Sitting naked by the phone  
Would you touch me?  
Hey you with you ear against the wall  
Waiting for someone to call out  
Would you touch me?  
Hey you, would you help me to carry the stone?  
Open your heart, I'm coming home  
But it was only fantasy  
The wall was too high  
As you can see  
No matter how he tried  
He could not break free  
And the worms ate into his brain  
Hey you, out there on the road  
Always doing what you're told  
Can you help me?  
Hey you, out there beyond the wall  
Breaking bottles in the hall  
Can you help me?  
Hey you, don't tell me there's no hope at all  
Together we stand, divided we fall
