

# Right By Your Side

## Oh Susanna

    Been twenty two hours and forty five days, yeah  
    And every inch of this road is twisted into a maze, yeah  
I'm runnin' on rotgut and a pocketful of blind faithCause I wanna be there right by your sideThere once was a  
    time all I wanted was this game, yeah  
    So I swallowed it whole when I coulda had a taste, yeah  
Now I'm rollin' like a bitch on wheels across the great divideCause I wanna be there, yeah I wanna be there  
    Yeah I wanna be there right by your sideComin' down that cross, I ain't singin' no more blues  
Traded in that old has been rusted worn out museIt's been twenty two hours and forty five days, yeah  
    And these wanderin' shoes is just a ball and a chain  
But now I believe I'll be freed by your sweet smileCause I wanna be there, yeah I wanna be there  
    Yeah, I wanna be there right by your sideYeah, I wanna be there, yeah, I wanna be there  
    Cause I wanna be there right by your side  
    Right by your side, right by your side, right by your side
