

# Danger Ahead

**Tanya Tucker**

I warned you baby, a long time ago  
You got to stop all this, hurtin' me so  
But, I don't think you heard a word I said  
Well, I'm telling you now honey  
That there's danger ahead Treating me bad, telling me lies  
That ain't cool, baby, that ain't wise  
You've been running around, spending all of my bread  
You better change your ways now  
'Cause there's danger ahead Hell hath no fury, like a woman scorned  
They should've told you that on the day you was born  
Better watch your step now, be careful where you tread  
I'm telling you this, baby  
That there's danger ahead Can't understand why you want to do me wrong  
Straighten up, baby, or you'll find me gone  
I gonna love you, that's sure enough  
But if you're looking for trouble, well, I can get tough I'm gonna quit all my cryin', dry all the tears that I shed  
Yeah, I'm warning you, baby, that there's danger ahead  
Well, I'm warning you, baby, that there's danger ahead  
Oh, I'm warning you, baby, that there's danger ahead
