

She Loves Me Not

Papa Roach

When I see her eyes look into my eyes
Then I realize that she can see inside my head
So I close my eyes thinking that I could hide
Disassociate so I don't have to lose my head
The situation, is to agitation if she cut me off
Would this be an amputation? I don't know if I care, I'm the jerk, life's not fair
Fighting all the time, this is out of line
She loves me not, loves me not
Do you realize I won't compromise
She loves me not, loves me not
Over the past five years I have shed my tears
I have drank my beers and watch my fingers fly away
Then until this day she still swings my way
But its sad to say sometimes she says she loves me not
But I hesitate to tell her I hate
This relationship I wanted to date, this is over
I don't know if I care, I'm the jerk, life's not fair
Fighting all the time, this is out of line
She loves me not, loves me not
Do you realize I won't compromise
She loves me not, life's not fair, I'm the jerk
Line for line, rhyme for rhyme
Sometimes I be writin' all the goddamn time
It's makin' me sick, relationship is gettin' ill
Piss, drunk, stupid, mad, on the real
Could you feel, what I feel? What's the deal girl?
Tearin' up each others world
We should be in harmony boy and girl
That is a promise we made
Back in the day
You told me that the things wouldn't be this way
I think we should work this out
It's alright baby, we can scream and shout
I don't know if I care, I'm the jerk, life's not fair
Fighting all the time, this is out of line
She loves me not, loves me not
Do you realize I won't compromise
She loves me not, loves me not
Life's not fair, life's not fair, life's not fair
I'm the jerk, life's not fair
She loves me not, loves me not
