

Sleep Song (OST The Chumscrubber)

Rooney

Sometimes I feel like I'll never fall asleep
I feel helpless
You can't help me fall asleep
I like to dream
But it scares me to think
That at some point
I'll forget when the dream beganI just got out of my bed
Covered in sweat
I was angry
Cause you kept your hand on my chest
Don't touch me
I'm concentrating on sleep
On what I'll dream
But I can't keep my eyelids shutLook at me sleeping
I'm really sleeping
Look at me dreaming
I'm so happyLook at me sleeping
I'm really sleeping
Look at me dreaming
I'm so happy
