

Time After Time

Crosby, Stills, Nash & Young

Day after day when I wake up
I look in your eyes
At the smile in your eyes
And time after time
When I look there
We're running in rhyme
In a slow easy climb
Up the road that we'll run together
And the love that is growing in my heart
We should not be apart
After part of the puzzle
Falls into place
When I look at your face
I see a smile on your face
