I Dig Love

George Harrison

I dig love
I dig love
I dig love
Hm, I dig love in the morning
I dig love in the evening
I dig love and I want you to know I dig love
I love dig
I love dig
I love dig
Hm, I love dig in the morning
I love dig every evening
I dig love and I want you to know I dig love
Small love, big love, I don't care
Love's all good love to me
Left love, right love, anywhere love
There's a rare love, come on and get it, it's free
I dig love
I dig love
I dig love

Hm, I dig love in the morning
I dig love in the evening
I dig love and I want you to know I dig love
Bought love, short love, in any port
Love's always there to see
Make love, take love, but you should give love
And try to live love, come on that's where you should be
I dig love
I dig love
I dig love
Hm, I dig love in the morning
I dig love in the evening
I dig love and I want you to know I dig love
Yes, I want you to know I dig love
Yes, I want you to know I dig love
To know I dig love
Yes, I do
I dig love (repeat and fade)
