## Wild Strawberries

Wild boys, wild boys, wild boys  
Wild boys

Wild! Boys! The wild boys are calling on their way back from the fire  
In August moon's surrender to a dust cloud on the rise  
Wild boys fallen far from glory, reckless and so hungered  
On the razors edge you trail because there's murder

By the roadside in a sore afraid new world They tried to break us, looks like they'll try again Wild boys never  
lose it

Wild boys never chose this way  
Wild boys never close your eyes

Wild boys always shine You got sirens for a welcome, there's bloodstain for your pain  
And your telephone been ringing while you're dancing in the rain  
Wild boys wonder where is glory where is all you angels  
Now the figureheads have fell

And lovers war with arrows over secrets they could tell They tried to tame you, looks like they'll try again Wild  
boys never lose it

Wild boys never chose this way  
Wild boys never close your eyes

Wild boys always Wild boys, wild boys, wild boys  
Wild boys, wild boys, wild boys Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always, wild boys
